

All stars on "Oscar Night"

Boys & Girls Club of Chico held its annual Youth Recognition Event on Jan. 28 when club members and their families were treated to a "Night at the Oscars" complete with large gold Oscar award statues and a red carpet. Awardees shown are Miranda Sexton, Chico Teen Center Scholar of the Year; Savannah Garcia, Chico Clubhouse Scholar of the Year; Antonio Esparza, Chico Clubhouse Athlete of the Year; and Nicolas Carranza, Chico Youth of the Year. Friday, Boys and Girls Club supporter Dan Ostrander presented the club with the Jimmy Carter Boys & Girls Clubs of America's Herbert Hoover Award. The award was given to Ostrander personally by former President Carter because of Ostrander's close ties to the club. It is the highest honor that Boys & Girls Clubs of America gives to recipients.
